ALABAMA FUSION CENTER

Training Announcement

The Alabama Fusion Center is providing training which includes an overview of the capabilities of the Alabama Fusion Center, the Missing Person Alerts, and a Narcotics briefing. This training provided by Analysts from the Fusion Center will allow law enforcement officers a better understanding of the capabilities and intelligence support offered through the Fusion Center for local law enforcement. It will also provide an overview of all the alerts issued through the Fusion Center for AMBER Alerts, Emergency Missing Child Alerts, Missing Senior Alerts, and Blue Alerts. The Narcotics presentation will provide agencies with information about analytical support available through the Fusion Center as well as being engaged with the statewide narcotics program.

Registration is open to law enforcement officers and support personnel.
